Outdoor STEM at Bald Blair

Last Friday, June 28 all students and staff at Bald Blair Public School participated in an Outdoor STEM Day based around sustainable living.

The weather was amazing, and the day commenced with the students highly enthused and motivated, and this commitment lasted for the entire day. Jorja, Brantley and Noah were so keen that they continued to mulch gardens during lunchtime.

At the beginning of the day, each student was presented with their own pair of gardening gloves, which they all wore with great pride and, by the end of the day, all gloves showed signs of being well used.

After applying sunscreen, there was a group photograph followed by all students being divided into groups for the day. These groups were led by our Year 6 leaders who did a marvellous job.

The group rotations included using garden tools safely, collecting litter, weeding gardens, mulching garden beds, preparing the veggie patch, planting new shrubs and seedlings in

garden beds and pots, and mindfulness activities under the COLA.

Every student had the opportunity to plant their own plant. They were all so eager and proud. Before the plants were planted, each student's knowledge, understanding and skills

about how to plant their shrub or seedling was taught explicitly.

They were taught how to prepare a garden bed, how large to make the hole, how to fertilise the plants, how to remove their plant from its pot, and how to plant, mulch and water the

plant. By the end of the day the Bald Blair School grounds looked amazing.

All students were to be commended on their exemplary behaviour.

St Mary of the Angels:

Last Friday, June 28 was PJ Day at St Mary of the Angels to raise funds for St Vincent de Paul as part of our Mini Vinnies winter appeal program.

Students were able to dress up in their PJ's for the day and raised over \$120. What a wonderful achievement.

Thank you so much to the families who have also donated clothes, food and blankets to our winter appeal. Your generosity is very much appreciated by us, St Vincent de Paul and the Guyra Community.

Guyra Central School:

Shy-Shy Torrens received a Highly Commended award

Multicultural Perspectives Public Speaking Competition

On Thursday, June 27, the Premier's Multi-cultural Perspectives Public Speaking event took place at Drummond Public School in Armidale.

Guyra Central School was proudly represented by four students from K-6. The Stage 2 representatives were Shy-Shy Torrens and Elsie Post, while Charlotte Auld and Rose Gordon represented Stage 3.

All our students demonstrated exceptional public speaking skills, showcasing their dedication through thorough speech preparation and practice leading up to the event.

Particularly noteworthy were our Stage 3 students, Charlotte and Rose, who delivered an impressive impromptu speech on 'The News' with remarkable maturity and insight.

Shy-Shy Torrens received a commendation from the judges for her outstanding performance.

Congratulations to Elsie, Shy-Shy, Charlotte, and Rose for their hard work and remarkable accomplishments in the 2024 Multi-Cultural Public Speaking Challenge.

Sports Shear fundraiser

A very successful day was had at 'Longford' Guyra on 22nd June to raise funds for the NSW Sports Shear team.

It was a very busy day in the shed with 25 shearers and wool handlers turning up to help out for the day. 921 sheep were shorn in total before 3pm.

A huge thank you to Jeremy Newberry

for organising and donating for this successful day to our NSW representatives.

Thank you also to the Guyra community: IGA, Campbell's Butchery and Guyra Country Fresh for their support in feeding our hungry helpers with smoko and a BBQ lunch.

Success at National Championships for Guyra Polocrosse

Guyra Polocrosse members have had great success at the Polocrosse National Championships held in Chinchilla QLD last week.

The QLD sunshine did not disappoint as eight Guyra members represented NSW across most divisions and all members were part of a team that reached the finals.

Matt, Abbott and Carlie Grills, Emily Wamsley, Bridget McKemey, Abby and Zac Finlayson and Hayden Benson proudly wore the blue shirts.

The finals started on Saturday for Guyra members with Hayden Benson playing in the Junior Mixed Competition.

Games were 8 x 6 minutes chukkas and going into the last chukka, NSW were down by 7 goals! The boys dug deep and after 6 nail biting minutes, they beat Victoria by 1 goal.

The U21 Ladies were next to go to a final and faced a very determined Queensland team who were keen to win on home soil and not face another loss against the NSW girls. However, the NSW girls, fought hard and brought home another convincing win.

Abby Finlayson received some well-deserved individual awards including: Best Australian Stock Horse, Best No 1 and Best Intermediate Ladies player.

Zac Finlayson was the next to face Queensland in a final and although they did not take the win, the NSW boys brought home the individual awards with Zac receiving Best No 1 and Best Horse

Above L-R: Hayden Benson, Abby Finlayson, Carlie Grills, Abbott Grills, Zac Finlayson, Bridget McKemey, Emily Wamsley and Matt Grills

and Rider combination.

On Sunday, Queensland turned on some great weather and the players gave a day of polocrosse at its best.

Matt rode out in the Masters Men's final against WA. Matt played a great game and not only did the NSW boys take home the win, Matt was also named man of the match and then received a Best No 1 award.

Carlie rode out in the Opens Mixed Final against a very strong Queensland side. They fought hard but did not get the win.

Abbott rode out in the Open Men's Final, the most anticipated game of the weekend. The men did not disappoint and what was a game of true skill and sportsmanship, the NSW men won the final by around 10 goals.

A huge congratulations to all our Guyra members!

Rural Market Reports - Wool

The final sale of the 2023/24 season led to further downward pressure being placed on prices. In a pattern that has continued to repeat itself throughout the season, a three week 40 cent rise in the Eastern Market Indicator has now been followed up with a two week 28 cent decline.

Tuesday's opening was on a softer tone with the North-

ern Region Indicator declining by 16 cents.

A further 5 cent fall was recorded on Wednesday with a small hint of prices stabilising, particularly in the Western region where some gains were reported on individual micron indicators.

32,861 bales were sold nationally for the week, with the passed in rate climbing

to 11.5%. Major buyers included Tianyu, PJ Morris and Techwool.

This week's closing Eastern market indicator is 16 cents ahead of where the season opened. Movements of some individual micron categories do vary far greater than this with the 16.5 micron indicator down 10% and the 28 micron indicator up 25%.

It has been 12 months of relative overall stability for wool prices with both the upside and downside risk appearing to be capped in the current environment (see season chart).

The 2024/25 season commences next week with 36,653 bales expected to be on offer nationally.

Junior Soccer

Under 6 Spooks, played Walcha Lions on Saturday. We had a couple of players away this week, so a big thank you goes out to Fraser, Fletcher, and Oscar for stepping up and helping Ebonee, Anna, and Hugo for this game.

Guyra under 7 Spooks played a strong TAS Torpedoes which had Guyra defending most of the game. Good games from all the kids with Eli and Stirling our goal scorers.

Under 8s headed to Uralla to play a strong opposition, they played well in patches but were unable to remain focused for the entire game. Penny M did manage to score in a fast-paced game.

The Tigers took on DK in Armidale this week. Guyra started well and passed the ball around nicely. Chaise and Cruze combined for a well

earned goal from Cruze to give them an early lead. DK fired back with a couple of long shots to go up 2-1.

Katie and Ruby played very well in the midfield. The team got a little fatigued in the end and DK managed to hold on for a 2-1 win.

Under 10 Phantoms played well and had a 3-all draw with North United in a very much improved performance from previous weeks with teamwork on display.

The under 12s headed to Doody Park to take on East Armidale. This was the team's toughest game of the season and the first quarter of the game was close with missed shots from both sides.

It was P Grills who broke the deadlock scoring and this was quickly followed by a goal from T Purvis. The second half started with a fight-back from Easts scoring their first taking the score to 2-1.

Guyra didn't drop their heads and rallied hitting back with 2 more goals, keeping their undefeated streak in tact with the 4-1 win.

Senior Soccer

Guyra senior teams were both in action over the weekend against North United in Armidale.

It was a nice afternoon, however, along with other matches they were relegated to a field that was less than desirable at one end.

Fourth grade kicked off the afternoon looking to build on the previous week's momentum. The game was close in the first half with a couple of Guyra shots rebounding off the goal posts.

The second half saw a major injury to a key member of the backline seeing them taken off to hospital. This inspired the team and Tom managed to secure the

game's first goal soon after the game restarted.

In what seemed to be forever, the game slowly drew to completion with the injury impacted backline conceding a goal with four minutes to go and finish the game in a 1-all draw.

Third grade come out boosted by some returning players giving them more confidence in the mid field. Norths managed the first goal off a missed communication just outside the 18-yard box.

With a couple of penalties just going either side of the goals, Guyra was right in the game. In what was turning into a scrappy game, a penalty was conceded by Norths inside the goal box. This led to a penalty shot taken and converted to points by Harrison D. Then the game came to a finish at the second 1-all draw for the day.

Gazette's Celebrity Footy Tipping

Origin kicked off NRL round 17 and it played out beautifully, with the Blues taking a strong 38-18 win to set up a decider at Suncorp Stadium.

Friday footy kicked off with the Bulldogs and Sharks which looked to be a thriller on paper and it did not disappoint. The game went into golden point where the Dogs stole the points with a Burton field goal, to go on and record a 15-14 win.

Super Saturday kicked off with the Warriors at home to the Broncos where the Warriors were too strong going on to record a 32-16 win.

The Knights then snatched a 34-26 victory off the Eels in a very competitive affair.

The Storm were then at home to a struggling Raiders outfit where the Storm were too disciplined for Ricky's Raiders going on to record a 16-6 victory.

Sunday footy kicked off with the Dragons at home to the Dolphins where the home crowd were not disappointed with the Dragons taking down the much favoured Dolphins 26-6.

The Cowboys then cemented their place in the top 8 with a strong 16-6 win over the Panthers.

The Roosters then did a huge 40-6 number on the Tigers to wrap up round 17.

Round 18 looks to have some great matchups, so good luck tipsters and happy tipping!

Guyra Anglers floats fishing to another level

It's o-FISH-al- Guyra Anglers Club is proud to announce that the Inclusive Fishing Pontoon, made by DockPRO, is in place at Tenth Dam.

Although installation of the pontoon is not quite *fin-ished*, it needs its concrete access apron laid, our official opening won't be too long a wait for our great community – watch this space.

The Club has had a long love affair with Tenth dam – from the original clean out of the dam, Club funded and completed with generous support of local businesses.

Further upgrades are possible with grants from the Department of Primary Industries Recreational Fishing Freshwater Trust Expenditure Committee (RFFTEC), and fantastic support from Guyra Bowling and Recreation Club.

The solar-powered Fountain Aerator, which helps maintain the health of the fish stocks in Tenth

Dam, and the Inclusive Fishing Pontoon will open the world of fishing to more people.

These are examples of grants that are your fishing licence fees in action and come from Trusts that have funds to be spent only on additional services for freshwater anglers.

Our Club has the aim of giving back to the community by stocking local streams and dams with various fish, and by opening the world, and joy, of fishing to everyone – young, old, and everyone in between!

We love seeing the enjoyment that Tenth Dam gives the Guyra community and watching everyone utilise the dam. Our aim was to ensure that the fishing experience was opened to more individuals, therefore installing the pontoon was a natural next step to take.

The wheelchair accessible pontoon is the closest one of this scale for hundreds of kilometres.

Want to get involved with our club? Email us at guyraanglers@gmail.com or pop along to one of our meetings. The next one is at 6pm on Saturday August 3 at Guyra Bowling Club. Upcoming

dates for your diary: John Wilcox Trout Classic October 4,5 & 6, and the GoneFishing day at Malpas Dam on Sunday October 13 held in conjunction with OzFish.
